<i>Progress Reports</i>	<i>Each week</i>	<i>Unit Manager</i>	<i>Griffith / Gobel</i>

Integrated Essay Exam Question

Why do we have space studies when so many problems exist on Earth? Explain how these studies have improved our daily lives in the following areas: technology, medicine, clothing, consumer products and security.

Out of Class Project Description

Each student will make improvements to a product that already exists. They are to display their product by using a drawing or scale representation.
