<i>Progress Reports</i>	3 weeks	<i>Unit Manager</i>	Mohammed Djebrane

Integrated Essay Exam Question

You are going to establish a human civilization link to the moon, but most importantly build the first middle school. What requirements are necessary for creating this new colony? Be sure to include something that you have learned from each of the following classes in your final answer: science, social studies, language arts, and mathematics.

Out-of-School Project:

Field trip to Insights Science Museum
Distant Learning Network
